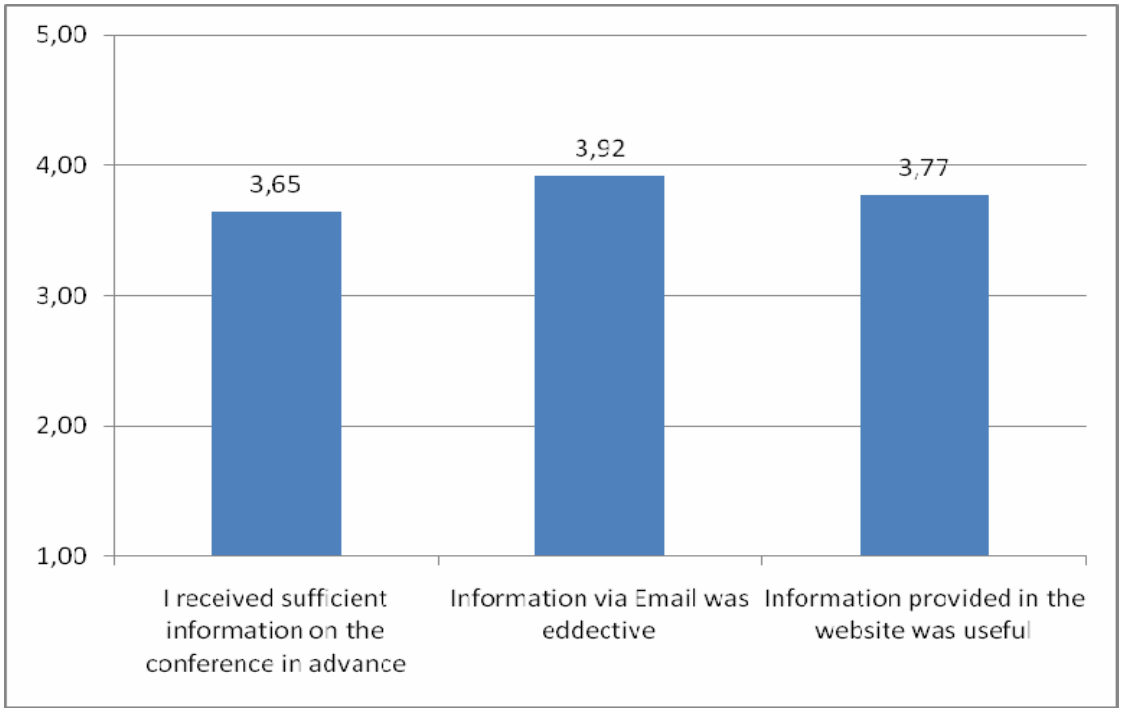

Figure 6: Mean scores of the Pre-Conference Issues (scores varied from 1=not at all satisfied to 5=strongly satisfied)

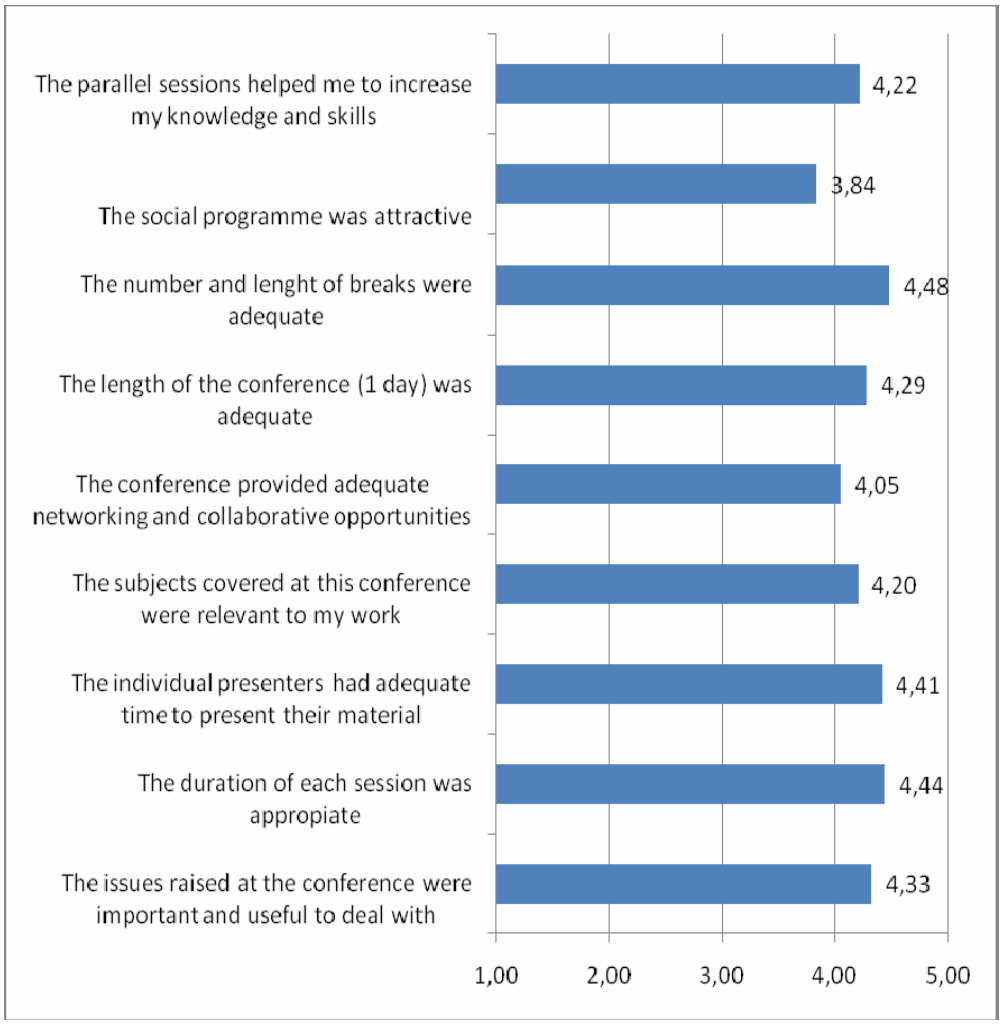

Figure 7: Mean scores of the general conference issues (scores varied from 1=strongly disagree to 5=strongly agree)

Comments related to the conference:

- Too much food
- Very Good
- I prefer a conference on Friday, Saturday & Sunday Social Program
- Very beneficial learning experience
- Nice blend of implementation
- Workshops should start at time
- First conference, it helped to get an idea of other countries
- Increase Interaction, Allow Questions
- Extending the conference 2-3 days
- Good Balance
- It was freezing in the Meeting Rooms

Any comments and/or proposals for future conferences

- More incentive and time
- Committee members are suggested to talk up specific functions to activate networking
- Cost of attention to implementation
- Needs to invite persons who are critical towards B.I.
- Be careful not to conflict with AMERSA 2012
- Missed list of participants
- Thailand would be great!
- Organised excursions
